NOTES

This publication contains a complete list of amateur radio stations of the United States and a complete list of experimental, relay broadcasting, and visual broadcasting stations. Additional copies may be procured from the Superintendent of Documents, Government Printing Office, Washington, D. C., at 35 cents per copy. A list of commercial, broadcasting, and Government (land and ship) stations of the United States known as the list of Commercial and Government Radio Stations of the United States is printed separately, copies of which, for official use, may be obtained on application to the Radio Division, Department of Commerce. The general public may obtain copies from the Superintendent of Documents, Government Printing Office, Washington, D. C., at 20 cents a copy.

Supplements to the list of Commercial and Government Radio Stations of the United States under the title "Radio Service Bulletin" are issued monthly and distributed to the United States officers engaged in or concerned with the enforcement of the radio laws for their guidance and instruction and to those concerned with the operation of commercial and Government radio stations for their information.

Amendments to or changes in the radio act of 1927 are promulgated in this bulletin.

Items of general interest and regulations concerning the enforcement of the radio laws are printed in the bulletin from time to time as occasion warrants.

The general public may obtain copies of this bulletin from the Superintendent of Documents, Government Printing Office, Washington, D. C., at 5 cents a copy or 25 cents a year.

LIST OF RADIO DISTRICTS

The department has the country divided into nine districts for the expeditious handling of business. Each district is in charge of a "supervisor of radio," to whom communications relative to operators' licenses, station licenses, and other matter pertaining only to the particular district concerned should be addressed. Correspondence for branch offices should be addressed to the "Radio inspector." Communications of a general nature should be addressed to the "Director of Radio, Department of Commerce, Washington, D. C."

Hereunder is a list of the districts, giving the address of the supervisors, and the territory embraced by each district. These districts should not be confused with the five zones established by the act (February 23, 1927, sec. 2) creating the Federal Radio Commission.
